

SPRING ART CHALLENGE

Draw a picture of the people and animals that are special to you!

It could be you and your dog, feeding animals with Mum or Dad, visiting your grandparents, riding your horse, playing with your cat, helping on the farm or anything else that shows the people and animals in your life. You can draw real people and animals, or use your imagination to create your own!

About the artist: Name: _____ Age: _____ (Age categories: 0–5 | 6–9 | 10–13 years)

Don't forget! Bring your completed artwork to your local Aorangi Vets clinic by 16th October 2026. Every child who enters will receive a small treat, and be in to win one of 15 prizes! And who knows? Your artwork could become part of something bigger, helping bring our Trusted by Generations story to life! Selected artwork may be brought together as part of a special collection and used in different ways, including clinic displays, social media, our website, community events and a limited-edition Aorangi Veterinary Services tote bag.
